

November 15, 2017

Dear Parents:

I am pleased to announce a convenient new process for St. John Paul II HS parents for the 2018-19 school year. We have partnered with FACTS Management Company to provide our families a streamlined and customized method to handle payments for tuition and fees. We will also use FACTS to process financial aid awards. They serve 13,000 schools and 2 million families throughout the country, including many right here in our area. In addition, the FACTS program works in conjunction with our student management system (RenWeb) as well as with our financial/accounting systems, so parents will only need one login for payment and student information.

You will be receiving more information in the days to come as we transition. We are confident you will benefit from the additional measures of flexibility and convenience available throughout the year. As always, we thank you for your continued loyalty to St. JPIIHS and for your support in fulfilling the mission of exemplary education in the Catholic tradition for our students.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Peter G. ...", with a horizontal line underneath.

President
